
Arrow Hedge Partners Inc. Announces that the Multi-Strategy Notes, Series 1 are now available until Friday June 20th, 2003

Notes Linked to the Arrow Multi-Strategy Hedge Fund (“The Fund”) offer guaranteed principal repayment at maturity, plus any appreciation in the value of the Fund. Notes are guaranteed by BNP Paribas.

Toronto, Canada – June 2nd, 2003 - Jim McGovern, Managing Director and CEO of Arrow Hedge Partners Inc. of Toronto, Canada, is pleased to announce that Arrow Hedge Partners is extending the offering period for the Arrow Multi-Strategy Notes, Series I. The Notes are now available for purchase through FundSERV until June 20th, 2003 with final settlement on June 25th.

“Investors will have the assurance of guaranteed principal repayment, the benefit of consistent return potential through a fully diversified fund of hedge funds, and comprehensive risk management from an industry leader. All with a low minimum investment of \$5,000 that is tax efficient and fully RRSP eligible”, stated Jim McGovern.

Note holders are guaranteed principal repayment at maturity plus any appreciation in the value of the Fund. The Notes are issued by BNP Paribas (Canada) and guaranteed by BNP Paribas SA. BNP Paribas is the largest banking group in France (based on total assets), and is located in 85 countries. Long-term debt obligations of BNP Paribas SA are rated AA- by Standard & Poor’s and Aa2 by Moody’s.

The Notes’ performance is linked to the Arrow Multi-Strategy Hedge Fund, which has an annual absolute return objective of 7-9%, after all fees. The Fund is designed to deliver consistent monthly returns regardless of market conditions, with low volatility, and low correlation to traditional stock and bond markets.

Note holders also benefit from style and global diversification through one investment vehicle. The Fund expects to allocate to 20 hedge fund managers across 9 different investment strategies, which include, but are not limited to: long/short equity, equity market neutral, high yield hedge, risk arbitrage, convertible arbitrage, fixed income arbitrage, distressed securities, managed futures, and global macro.
