
Arrow Hedge Partners Inc. announces a successful close of the Arrow Multi-Strategy Notes, Series 3 Issue

With the latest closing, Arrow has now raised over \$90 million (CAD) for the Arrow Multi-Strategy Notes product.

Toronto, Canada – March 29th, 2004 - Jim McGovern, Managing Director and CEO of Arrow Hedge Partners Inc. of Toronto, Canada, is pleased to announce the closing of the Arrow Multi-Strategy Notes, Series 3 product. “The market reception for the Arrow Multi-Strategy product has been tremendous,” stated McGovern.

“The success of the first two offerings of the Arrow Multi-Strategy Notes product led to a great demand for the Series 3 product,” stated Mr. McGovern. “The first two series of the Arrow Multi-Strategy Notes have, since issue, performed in-line with investor expectations, having met all of the targeted investment objectives with respect to performance, correlation and volatility.”

“Based on the continuing market demand, we would expect to offer another series of this product in the near future,” stated Mark Purdy, Managing Director. “The Arrow Multi-Strategy Notes product provides investors with the assurance of guaranteed principal repayment, the benefit of consistent return potential through a fully diversified fund of hedge funds, and comprehensive risk management from an industry leader. All with a low minimum investment of \$5,000 that is tax efficient and fully RRSP eligible.”

The Notes are linked to the Arrow Multi-Strategy Hedge Fund (“The Fund”) and offer guaranteed principal repayment at maturity, plus any appreciation in the value of the Fund. The Fund has an annual absolute return objective of 7-9%, after all fees, and is designed to deliver consistent monthly returns regardless of market conditions, with low volatility, and low correlation to traditional stock and bond markets.

Note holders also benefit from style and global diversification through one investment vehicle. The Fund expects to allocate to 20-25 hedge fund managers across 9 different investment strategies, which include, but are not limited to: long/short equity, equity market neutral, high yield hedge, risk arbitrage,

convertible arbitrage, fixed income arbitrage, distressed securities, managed futures, and global macro.

Each underlying hedge fund manager employs stringent risk management procedures. In addition, Arrow performs qualitative and quantitative analysis, rigorous manager due diligence and ongoing monitoring at both the individual fund, and fund of funds level. Arrow has 100% transparency with each manager and uses sophisticated risk management tools, such as RiskMetrics™, to further strengthen the risk management process.

The Notes are issued by BNP Paribas (Canada) and guaranteed by BNP Paribas SA. BNP Paribas is the largest banking group in France (based on total assets), and is located in 85 countries. Long-term debt obligations of BNP Paribas SA are rated AA- by Standard & Poor's, and Aa2 by Moody's.
