GENERAL TERMS

Reference is made to a fund or funds offered through the most recent confidential offering memorandum (each fund individually a "Fund" and all funds collectively the "Funds"), as amended from time to time (hereinafter referred to each as an "Offering Memorandum" and collectively as the "Offering Memorandums") prepared in connection with the continuous offering (the "Offering") of Units or Shares of the Funds, as applicable, to investors resident in each province and territory of Canada (the "Offering Jurisdictions") pursuant to certain securities laws exemptions (as described in the Offering Memorandums). All capitalized terms used but not defined in this Investment Application have the meanings provided in the Offering Memorandums, unless the context otherwise requires.

1. **Offer to Purchase:** The undersigned (the "Investor", who shall be deemed to include any person on behalf of whom the undersigned holds Units or Shares), hereby irrevocably offers to subscribe for and to purchase Units or Shares of one or more Funds for an aggregate purchase price (inclusive of any applicable commissions) (the "Purchase Price") on the terms indicated and conditions contained in this Investment Application. The Investor has specified in this Investment Application whether the purchase of Units or Shares is to be done with a sales charge or without a sales charge but subject to a redemption charge and, in either case, the applicable rate of commission payable to the Investor's registered dealer (a "Registered Dealer"). A Fund's acceptance of this offer, as evidenced by the signature of an officer of the Manager, will constitute an irrevocable agreement between the Investor and the Fund for the Investor to purchase from the Fund, and for the Fund to issue and sell to the Investor, such Units or Shares on such terms and conditions.
2. **Price of Units or Shares:** The Units or Shares will be issued under the Offering at a price equal to the Class Net Asset Value per Unit or Share of each Fund determined in accordance with the applicable Offering Memorandum on the Valuation Date next following the acceptance of this application by the Manager on behalf of the Fund or, if accepted prior to 4:00 p.m. (Eastern time), or such earlier time as the Toronto Stock Exchange may close, on a Valuation Date, on that Valuation Date.
3. **Minimum Purchase:** For each of the Funds:
 - a) the minimum initial investment amount (the "Minimum Purchase") for residents in the Offering Jurisdictions (other than an Accredited Investor as defined in National Instrument 45-106 ("NI 45-106") or an investor who purchases pursuant to the offering memorandums exemption in NI 45-106 (the "Offering Memorandums Exemption")) is \$150,000. The Minimum Purchase is not available to individuals. Purchase of Units or Shares from more than one Fund cannot be aggregated to achieve a Minimum Purchase (e.g. the Minimum Purchase applies on a Fund-by-Fund basis); or
 - b) in the case of investors who qualify as Accredited Investors and subject to the Manager's sole discretion to accept investments on such a basis, the minimum investment is \$25,000.
Investors should consult their Registered Dealer and other advisors and refer to the representations, warranties and certifications contained in subsection 4 in this Investment Application and the Investor Certificate to determine whether they meet the applicable eligibility requirements.
The Manager reserves the right to change at any time and from time to time the minimum amount for initial and additional investments in Units or Shares.
4. **Covenants, Representations and Warranties of the Investor:** For each Fund purchased the Investor covenants, represents and warrants to that Fund and the Manager that:
 - a) the Investor's decision to execute and enter into this Agreement and to purchase the Units or Shares in the amount set out above has not been based upon any verbal or written representation as to fact or otherwise made or purported to be made by or on behalf of the Fund, the Manager or any other person other than the Offering Memorandums;
 - b) this Investment Application has been duly executed and delivered by and on the Investor's behalf and is legally binding upon it and, where the Investor is not purchasing as principal, the principal and enforceable in accordance with its terms, subject to the following qualifications as to enforceability: (i) enforcement may be limited by bankruptcy, insolvency, liquidation, reorganization, reconstruction and other similar laws of general application affecting the enforcement of creditors' rights, and (ii) an order of specific performance and an injunction are discretionary remedies and, in particular, are not available when damages are considered an adequate remedy;
 - c) the Investor is resident in the province or territory set out in the Investment Application as part of the "Investor Information" and is not resident in any other jurisdiction for tax purposes;
 - d) if the Investor is purchasing the Units or Shares as principal, such purchase is for the Investor's own account and not for the benefit of any other person or, if the Investor is not purchasing as principal, the Investor is purchasing as agent, portfolio manager or trustee pursuant to a statutory exemption or, in either case, pursuant to an exemption order permitting such purchase;
 - e) the Investor is:
 - (i) not an individual and is purchasing as principal a sufficient number of Units or Shares so that the aggregate acquisition cost to the Investor will not be less than \$150,000; and
 - (ii) if the Investor is a corporation, partnership, trust, fund, an association, syndicate, organization or other organized group of persons whether incorporated or not, it was not created, or is it being used, solely to purchase or hold Units or Shares without a prospectus; or
