

ARROW EC INCOME ADVANTAGE ALTERNATIVE FUND (RATE) SURPASSES \$100 MILLION IN ASSETS UNDER MANAGEMENT

PRESS RELEASE FOR IMMEDIATE RELEASE

TORONTO, April 29th, 2025 – Arrow Capital Management Inc., a leading provider of innovative investment solutions, is thrilled to announce that Arrow EC Income Advantage Alternative Fund ETF (TSX: RATE) has surpassed \$100 million in assets under management. This milestone underscores the growing investor confidence in RATE’s unique approach to delivering attractive yields with capital preservation in today’s dynamic fixed-income markets.

Launched to provide investors with a diversified portfolio of Canadian investment grade corporate bonds, RATE seeks to maximize income while minimizing interest rate risk. The actively managed ETF, sub-advised by East Coast Asset Management SEZC., employs a disciplined investment process, leveraging proprietary research feasibly drawing on decades of fixed-income expertise to navigate rising rates and economic uncertainty. RATE’s portfolio is designed to offer stability and consistent returns, making it an appealing choice for investors seeking income and capital protection.

“We are incredibly proud to reach this \$100 million milestone for RATE, which reflects the trust that investors have placed in our team and our strategy,” said Mark Purdy, CIO at Arrow Capital Management. “RATE was created to deliver dependable income and resilience in a challenging rate environment, and this achievement highlights the value it brings to our clients’ portfolios.”

Since its inception, RATE has attracted a diverse range of investors, including financial advisors, institutions, and individual investors, drawn to its focus on high-quality securities and active risk management. RATE’s success is a testament to Arrow Capital’s commitment to innovation and excellence in alternative fixed income investment.

“Reaching \$100 million in AUM is a significant step forward for RATE and reinforces our mission to provide investors with solutions that balance yield and safety,” added Mike MacBain, Founder and CEO at East Coast Asset Management SEZC. “We are grateful for the support of our investors and remain dedicated to delivering unique investment solutions for them.”
